RAT PACK DEBUTS NEW DOCUMENTARY AS PRODUCERS OF THE HIT 'SANDY HACKETT'S RAT PACK SHOW' RELEASE AN INTIMATE BEHIND-THE-SCENES FILM SHORT ABOUT THE MAKING AND ORIGINS OF ONE THE MOST SUCCESSFUL SHOWS OF ITS KIND

Producers [Lisa Dawn Miller](#) and [Sandy Hackett](#) of the critically-acclaimed "[Sandy Hackett's Rat Pack Show](#)" are taking fans and talent buyers behind-the-scenes to reveal the making and origins of their hit production about the iconic 'Kings of Cool' in their new short film documentary now available on [YouTube](#). The intimate and entertaining film features cast and crew interviews, personal family photos and selected performance highlights from the live theatrical production offering insight on how the real life "Smash" team puts it all together.

"I think the film is a testament to the passion of our team and why we, like the real Rat Pack, love and respect one another. There isn't anyone or any show out there that can tell this story like we can. Frank Sinatra, Dean Martin, Sammy Davis, Jr. and Joey Bishop were all close Hackett family friends and each of them recorded songs written by my father, Ron Miller" said Lisa Dawn Miller. "I

think in seeing this film, you get a sense of the strong artistic integrity and the close, synergistic relationships of our team, which is why this show works so well onstage, on film and behind-the-scenes,” says Miller.
